# *Guest Room Information*

We do not just take care of you on your wedding day! We at the Holiday Inn strive to create great hotels all guests love!

We have 9 different room types to accommodate every guest's needs! From large family suites to single king rooms we can accommodate if your guests are bringing the entire family or staying solo!

All guest rooms come with a fridge, microwave, in-room Keurig coffee and tea, iron/board, kettle, hairdryer, scale and wireless internet. We have a pool with 75ft water slide, hot tub and 24hour fitness centre. Also, the Boulevard Restaurant and Lounge is onsite to fulfill your guest's needs.

## *Honeymoon/Bridal Suite*

At 900 square feet, the Bridal Suite includes a separated living room and bedrooms, fireplace, large jacuzzi tub, and an enormous bathroom with multiple sinks. The Honeymoon/Bridal Suite is a favorite for bride's and bride's maids getting ready for the big day. If you plan your wedding with us, you can even get this suite complimentary! Ask us how.

Please contact one of our Coordinators to schedule a tour.

## Our Partners

We have many partners that we trust to provide additional services such as a photobooth, DJ, decorators, flowers, and more. Provide us with details and we can ensure you will be set up with the best in the industry.

## *Catering with Boulevard*

Whether your wedding is big or small, we can create a unique and memorable experience for you and your guests with catering from Boulevard Restaurant & Lounge. Let our Executive Chef Emmanuel David and his culinary team take care of the details to create that perfect medley of fine flavours to compliment your celebration.

We have many customizable menu options to choose from. We can even suggest the perfect wine pairing arrangement to compliment your menu.

Whether you will be serving dinner, desert, lunch, or all of the above, we will ensure your wedding is the talk of the town. We only serve high quality ingredients that are locally sourced when possible from right here in Alberta! When you cater with Boulevard, you ensure your guests receive top quality food and service.

## *Cake Cutting*

Once you have made the first cut and have taken pictures our Chef will cut the cake, plate it and serve it to you and your guests.
